Per our phone conversation on May 14, 2012 and in reply to RFI dated April 11, 2012 I am supplying the following information:

1. In March of 2012 we found out that the MI Future PAC was not a qualified multi-candidate committee and promptly issued refund checks on March 28, 2012. These refunds were fully disclosed on our 1st quarter 2012 FEC Form 3 filing with the appropriate refund amounts showing the refund on lines 6(b) and 20(c). The committee was subsequently designated as a multi-candidate committee and made a valid contribution after the designation.
2. I have contacted Eric Schertzing if the People For Eric Schertzing Committee (local committee) and he has indicated that the contribution made was made with Federally permissible funds.
